

This workshop enables mixing engineers to create a spatial mix in an L-ISA auditorium and understand its implementation.

SUMMARY

COURSE TYPE	Product training
LEARNING PATH	L-ISA Mixing engineer
LEARNING OBJECTIVES	<ul style="list-style-type: none"> • Understand the L-ISA hardware implementation • Understand the functionalities of the L-ISA controller in terms of setup and operation • Experience the L-ISA spatial parameters • Experience the L-ISA dynamic features

MODALITIES

PREREQUISITES	<ul style="list-style-type: none"> • L-ISA Technology course certification • Experience in mixing • Technical English
DURATION	7 hours
PARTICIPANTS	4 participants
LEARNING FORMAT	Instructor-led session: onsite
TEACHING METHODS	Demonstration, hands-on practice, listening sessions
LANGUAGES	<ul style="list-style-type: none"> • Session delivered in local language • Material written in technical English
INSTRUCTOR PROFILE	Live sound expert, selected, trained, certified and regularly updated by L-Acoustics education team
CERTIFICATION	Attendance to the sessions

LEARNING AGENDA

ONSITE - 1/2	L-ISA Controller <ul style="list-style-type: none">• Creating an L-ISA spatial balance• Using dynamic features• Setting the room engine• Mixing in live mode 2 HOURS
	L-ISA Implementation <ul style="list-style-type: none">• Hardware and dual processor setup• Network configuration• Software connection and settings 1.5 HOURS
ONSITE - 2/2	3rd Party Control <ul style="list-style-type: none">• DeskLink with Master handshake decision• MIDI or OSC control integration• DAW plug-ins 2 HOURS
	Forum <ul style="list-style-type: none">• Listening sessions• Best practices from instructor• Discussions between participants 1.5 HOURS

REQUIRED EQUIPEMENT

INSTRUCTOR-LED SESSION	<ul style="list-style-type: none">• Computer with a mouse (preferably Apple MacBook Pro or equivalent, Mac OS 10.13 minimum)• For Apple users, latest version of L-Isa studio software installed (to be activated during the course) or Windows version of L-Isa controller• Raw audio files to practice with known mixing material• Note pad and pen
------------------------	--

EARNED BENEFITS

Upon completion, the participant is granted with a *Certificate* and a 1-year account activation/extension on the online *L-Acoustics Education* platform.

In the platform, the membership to the **L-ISA Mixing workshop** group opens access to:

- Always up-to-date **L-ISA Mixing workshop** material in the *Learning center*
- Forum gathering all the **L-ISA Mixing workshop** certified technicians and instructors
